Friends of the Orphans supports the Nuestros Pequeños Hermanos (NPH) network of homes and their outreach programs in Latin America and the Caribbean. Together, we transform the lives of children by creating families for life through values of unconditional love, shared responsibility and education. This enables children to transcend poverty and grow into caring and productive members of their communities.

Since its founding in 1954, NPH has assisted more than 15,000 children and currently cares for more than 3,300 in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru. An additional 30,000 children and adults are assisted each year through outreach programs.

Donations to Friends of the Orphans help provide NPH children with food, clothing, shelter, health care, education and hope for the future. By making a difference in the lives of the children through volunteer and donation opportunities, our supporters' lives are enhanced as well.

Matching Gift
Program

Partial List of Participating Companies

What Is a Matching Gift Program?

Many companies have contribution policies that allow the company to contribute financially to nonprofit organizations that their employees support. This is a Matching Gift Program.

How Does It Work?

When an employee contributes to Friends of the Orphans, the company matches that contribution, sometimes doubling or even tripling it. For example, if you give \$50 to Friends of the Orphans, your employer may donate \$50 or \$100 to Friends.

How Do I Find Out If My Company Has A Matching Gift Program?

Visit www.friendsoftheorphans.org/match and search for your company, or ask your Human Resources representative or supervisor if you have a Matching Gift Program. If you do not, please encourage them to participate!

Who Can Participate?

Employees, retirees, spouses and their immediate family members may participate. If a company with a Matching Gift Program employs you, your spouse or your children, each of your gifts to Friends may qualify for a matching gift. You may also be able to participate if you or your spouse are receiving benefits under a company pension plan.

How Do I Get Started?

1. Ask your employer for a contribution/matching gift form.
2. Complete and sign the form.
3. Send your check and form to the national Friends of the Orphans office (see back panel for address).

If your company does not have a form, please contact your regional Friends office and we will be happy to send you one.
